NEW STUDIO HD EQUIPMENT INSTALLED AT NHTV

(North Haven) As part of an upgrade, NHTV recently installed a new, computer-based Broadcast Pix Slate 100 HD studio control room switcher. The new switcher's features include the ability to load pre-recorded segments (also known as "B-roll") onto the actual switcher for insertion during the taping of a program. The switcher also has a self-contained Inscribe Character generator built-in to the unit itself. Another unique feature is the "virtual monitor" set-up. Instead of using multiple, heat-generating individual monitors, the Broadcast Pix generates "virtual" monitors and displays them on NHTV's new 47" flat-panel wide-screen monitor. Those "virtual" monitors may be resized and moved anywhere on the 47" screen. The new switcher, working in conjunction with three new JVC HD studio cameras purchased last year, gives NHTV the ability to record in full-HD. As soon as the cable/video providers such as Comcast and AT&T U-Verse are ready, NHTV will be able to air programming in HD. The equipment was purchased as a result of NHTV's successful garnering of two PEGPETIA grants from the State of CT valued at approximately \$100,000.

NEW PRODUCTION EQUIPMENT INSTALLED AT THE NORTH HAVEN MEMORIAL LIBRARY FOR TAPING OF VARIOUS NORTH HAVEN TOWN MEETINGS

(North Haven) A new control room, including wall-mounted robotic cameras, and an integrated Tricaster switcher/character generator, was recently installed in the North Haven Memorial Library. The equipment was purchased by a grant from the State of Connecticut, garnered by Steve Fontana, State Representative (D-87th). The equipment allows for multiple-camera televised coverage of Town meetings held at the library. NHTV would also like to thank both former First Selectman Janet M McCarty(D), and current First Selectman Michael J, Freda(R), for their support in this project. Additional thanks to Bill Bennett, I.T. Manager for the Town of North Haven and Lois Baldini, Director of the North Haven Memorial Library, for their support.

NHTV REMEMBERS ENTERTAINER AND TV HOST JOEY RUSSELL

MILFORD (SEPT. 25, 2010) He performed with comedy legends like Alan King, Joey Bishop and Henny Youngman; had a run at the famed Copa Cabana and was a fixture at the famed Grossinger's Resort in the Catskills. A member of The Friar's Club, Russell was known in the 1950's as kids show host "Happy The Clown" aired on WNHC-TV (now WTNH-TV). He also founded and hosted "The Jewish Forum" talk show on NHTV and other cable TV stations for over ten years, but he may be best remembered for his philanthropic efforts with such charities as American Red Magen David for Israel (ARMDI), which raised funds to purchase ambulances for use in Israel. Russell passed away on Sept. 25, 2010. NHTV sends its condolences to the Russell family.

Comedy Great Joey Russell.

NHTV provides community access equipment and television to North Haven. In addition to in-studio production equipment, NHTV also has available remote equipment such as cameras, microphones, lights and more. Use of the equipment is free of charge, however, all users must be trained and certified to use the equipment. Call us at 203-234-0025 for more information.

NHTV INTERNSHIP PROGRAM OFFERS MANY BENEFITS TO STUDENTS

NORTH HAVEN, (Dec. 3, 2010) NHTV is always looking for interns to learn television production while assisting others in producing community TV programs. High school students are able to complete valuable community service hours, which are required to graduate. Additionally, college students can earn credits by participating in NHTV's internship program. For more information on NHTV's Internship Program, call 203-234-0025.

BEHIND THE SCENES OF NHTV'S ELECTION LIVE 2010 BROADCAST

NORTH HAVEN, (Nov. 4, 2010) Here's some pictures from our recent "NHTV Election Live 2010," which was anchored by Kenn Venit and Teale Caliendo, and featured reports from both parties campaign headquarters. Our thanks to the many volunteers who make this annual special live event coverage the success it is! Thanks to Kenn Venit and Bill Dillane for the terrific photos!
